Gunja is illegal everywhere in Australia. It is illegal to buy, sell, grow or use gunja in every state and territory in Australia.

Patrick Bayly

If the police catch you buying, selling, growing, or using gunja, you will get in trouble with the law. You could get a caution from police, get a fine, go to prison, or get a criminal record.

It could be hard to get a job
at a mine or even go overseas
if you have a criminal record.

This booklet is part of a series that provides information about gunja (cannabis) in an easy-to-read format. You can order all the titles and associated posters at no charge from our website.
